

Data Workshop: **Good Policy Requires Good Data**

Thursday, 22 February 2024 8:30am (for a commencement of proceedings at 9.00am) – 4:15pm

Barton Theatre ANU Crawford School of Public Policy, Canberra

This workshop will bring together leading scholars, policymakers, and data experts to explore how routinely collected data can be used to address policy-relevant questions and where additional data is needed. It will draw on international experience and explore ways in which the use of Australian data for research purposes will enhance Australian policy-related research.
