

# CAMA RBA SHADOW BOARD – COMMENTS

## MARCH 2018

Each CAMA RBA Shadow Board member is invited (but not obliged) to provide a personal comment on monetary conditions. Neither the comments nor the probabilities constitute financial advice. The views of the Shadow Board members are not those of CAMA. Any individuals utilizing these comments, or the probabilities, do so at their own risk.

### PAUL BLOXHAM

No comment.

### MARK CROSBY

The time for raising rates in Australia is now very near. The only issue is the wait on international market moves and whether the RBA should be ahead or following in particular the Fed. Assuming a first rate rise does happen in the next few months, a further rise later in the year should follow unless financial market volatility is significant after a first increase.
