

CAMA RBA SHADOW BOARD – COMMENTS

DECEMBER 2018

Each CAMA RBA Shadow Board member is invited (but not obliged) to provide a personal comment on monetary conditions. Neither the comments nor the probabilities constitute financial advice. The views of the Shadow Board members are not those of CAMA. Any individuals utilizing these comments, or the probabilities, do so at their own risk.

PAUL BLOXHAM

No comment.

MARK CROSBY

Despite the Fed announcing that rate increases there have moved rates closer to neutral, the cash rate in Australia remains well below neutral. Despite a softening housing market the distortions from ultra-low rates still warrant rate increases towards a more neutral rate sooner rather than later.
