

THE A R BERGSTROM PRIZE IN ECONOMETRICS, 2019

Applications are now being sought for the **A R Bergstrom Prize in Econometrics, 2019**.

The objective of the Prize is to reward the achievement of excellence in econometrics, as demonstrated by a research paper in any area of econometrics. The Prize is open to New Zealand citizens or permanent residents of New Zealand who, on the closing date of applications, have current or recent (i.e. within two years) student status for a higher degree. It is intended that the awardee will utilise the proceeds to assist in financing further study or research in econometrics in New Zealand or overseas.

The Prize can be awarded once every two years, with a value of NZ\$1,000.¹ The selection panel will be appointed by the A R Bergstrom Prize Committee.

Applications/nominations must include:

- a formal letter of application and, in the case of students, a letter of nomination by their research adviser or chairperson
- a research paper written by a single author, reporting original research in any area of econometrics
- a CV and relevant academic transcripts

Applications should be emailed **by Friday 15 February 2019** to:

Dr. Leo Krippner (leo.krippner@rbnz.govt.nz)

The Prize is administered by the A R Bergstrom Prize Committee on behalf of the New Zealand Association of Economists Education Trust, and is supported by funds generously provided by the following sponsors:
